On the sleek palate this is super-focused with a terrific tannin structure that beautifully matches the crystalline quality on the pristine finish. CLEMENS BUSCH RIESLING MOSEL MARIENBURG FAHRLAY RESERVE 2018

Hard to believe that this was bottled after 28 months maturation on the full lees, because it is so vivid, with a ton of dried herbs, plus caramelized peach and pear. Enormously deep and structured, but with a certain lightness of touch at the enormously long and enormously slatey finish. This gives you a very good idea how the great dry Mosel wines from before the First World War tasted. From biodynamically grown grapes with Respekt certification. Drink or hold.
